

## **Little Dragon & Young Achiever Belt Testing Process, Ages 5 & 6**

In our Little Dragon and Young Achiever Program, students ages five and six attend promotional belt tests three times a year near the months of February, June and November. This is an excellent opportunity for young students to get comfortable performing in front of an audience. Students are very proud to show their focus and techniques. Parents are encouraged to sit in the classroom for the tests. Tests are held at the Karate West Training Center in Sammamish. The Young Achiever belt test fee is \$35 which includes a new belt.

### **Requirements to Participate:**

Karate West does require a certain level of behavior at home, at school and at the dojo before students are allowed to participate in graduations and tests.

- 1) Good home report (child must be behaving at home with respectful and positive attitude)
- 2) Good school report
- 3) New students must have completed one month of training prior to testing
- 4) Existing students must not have missed more than one month of training since their last belt exam

### **Little Dragon Test Results**

Students will receive their test results along with their new belts during the **week following the test**. Students should come to their normal class time to receive these results. If your child misses class during the week following the test, they will receive their results during their next scheduled class. Students will be called up individually to receive their promotion and parents are encouraged to join this celebration!

### **Little Dragons Belt System:**

White Belt

Yellow Belt with White Stripe

Blue Belt with White Stripe

Orange Belt with White Stripe

Purple Belt with White Stripe

Green Belt with White Stripe

Brown Belt with White Stripe
